## CUSTOM OFFICERS ARREST DOPE SMUGGLERS

NOGALES, Dec. 18.—Ed Le Bean, former owner of the Palace Saloon in Nogales, Sonora, his wife and two children were taken into custody by the customs authorities, Thursday afternoon.

Mrs. Le Bean and the two children were in the lobby of the Montezuma waiting for the stage, due to leave for Tucson in a short time, when a customs officer standing at the cigar counter noticed she had a parcel with both ends open containing meat. Now this meat while bearing mute testimony and a reason for an errand which would take one across the line, proved in the end to be the undoing of the party. Wondering why Mrs. Le Bean who was going to Tucson should buy meat in this locality, the officer reported that there was something suspicious about the lady and that he also noticed a curious bulge in the stockings of one of the little girls. With this information before him Special Deputy Berner gave orders to have the stage call at the Customs House before it left for Tucson. When the stage arrived at the Customs House Mrs. Le Bean was asked to see Mr. Berner a minute, and as she stepped from the car a small sealed tin was seen to drop from under the lady's skirt, which she quietly and as unobtrusively as possible recovered, but not before the keen eyes, watching her movements had taken note of the happening.

Le Bean not being anywhere in sight an auto was sent to follow the stage, and just the other side of Camp Stephen D. Little the much wanted gentleman hailed the stage and was taken, by the officers in the car which followed, thereby completing the little family circle and drawing the strings of the law's net tight, to be opened in the office of the Customs House where we take up the thread of the story again. On being searched Mrs. Le Bean disgorged three pound tins of smoking Opium, while three ounces of morphine were found on the oldest of the girls. Le Bean himself having craftily placed the "stuff" and burden on the woman and children.

Under close questioning a complete confession was obtained from him which exonerated the woman and children to a large extent, they being used as "tool" or carriers for the narcotics and innocent of any intent to break the law, though technically guilty, as they were in possession of the "dope."

Special Agent Alvin F. Scharff took the prisoners to Tucson, where he will remain for the preliminary hearing, and also make the arrests in that city, of the men "higher up," who have been furnishing the money for operations of the "ring."

Up to a late hour last night no news had been received by Deputy Berner regarding the activities of Agent Scharff, in Tucson.

CATTLEMEN RECEIVE THOUSANDS MORE BY MARKETING CO-OPERATIVELY

TUCSON, Dec. 19.—Buyers in Santa Cruz County offered a cattleman, Mr. H., \$32.00 per head for his three-year-olds and \$25 for his twos. Having only a few threes, he sold them, but decided to stick with his Association and sell his twos with theirs. His neighbor, Mr. X., had a good bunch of threes and was offered \$32.00 for his threes, \$25.00 for his twos, and \$20.00 for his yearlings. Mr. X., refused to sell by the head and insisted that he and his associates would sell only by weight.

A price was finally agreed upon and some twelve hundred head were sold over the scales. The following figures were reported: Mr. H., received for his twos \$37 per head and over \$24 per head for his yearlings. Mr. X., received a few cents less than \$50 per head for his three-year-olds, and about the above mentioned prices on twos and yearlings. Thus, by selling over the scales, he received nearly \$17 per head more for his threes than his first offer, while Mr. H., received \$12 more per head for his twos and \$4 more for his yearlings.

Returns on the entire twelve hundred head were not always like the above, but the average came pretty near those figures.

Co-operative selling among those concerned in this deal has received an impetus which will make it easy for the officers of the Association and the County Agent to extend their selling operations among the neighboring cattlemen.
